Beginning Japanese 名前 _____

Unit 1 Assessment: **Presentational Writing**

Learning Targets

- I can address and greet people.
- I can introduce myself and my family.
- I can state that objects are here, there, or over there.

Scenario 1

You decide to start a Mixi (social networking) page in Japanese, so that you can make more Japanese friends. Start your first post by including the following:

- Your name, and the names of your friends and your family
- Some things you have and some people you know
- The number of people in your family
- Pets, and any other information you want to include
