**Beginning Japanese** 

## Beginning JAPANESE 名前\_\_\_\_\_ UNIT 2 Assessment: Interpersonal Speaking

## Introductions – Learning Targets

- $\checkmark$  I can give an oral introduction of a friend's family.
- ✓ I can talk about the relationships among a friend's family members
- ✓ I can talk about the basics of a friend's health.
- ✓ I can talk about objects that someone has or doesn't have .
- ✓ I can talk about where objects are and whether or not they exist.

## Scenario

You are going to have a conversation with your Japanese teacher about a family you have come to know. Give as much information as you can about how many people are in the family, their names and relationships, ages, whether they have pets, and any other information you know.
