

1B 20 Questions – Learning Targets

- ✓ I can talk about members of my family.
- ✓ I can talk about my classes and what periods they are.
- ✓ I can use the conjunction でも to make more interesting compound sentences.
- ✓ I can talk about time and use time particle appropriately when I do.
- ✓ I know how to talk about what "tool" is used to do different activities and chores.
- ✓ I can talk a little about the weather.

Scenario

You and a partner are having a conversation about your home and school. Talk about your family members and about some of your teachers and your class schedule. State which classes you think are good, or bad; use adverbs to state whether a class is a little/somewhat/very good or bad. Talk about your club activities. Ask your partner if he/she has siblings, and what grades they are in. Be as descriptive as you can about asking and answering questions.
