## **UNIT 3 Assessment: Presentational Speaking**

## 2A This is my day

## **Learning Targets**

- ✓ I can talk about my family.
- ✓ I can talk about my classes and which periods I have them.
- ✓ I can use the conjunction でも to make more interesting compound sentences.
- ✓ I can talk about time and use time particles appropriately when I do.
- ✓ I know how to talk about what "tool" is used for different activities and chores.
- ✓ I can talk a little about the weather.

## Scenario

You have been asked to make a podcast about your school and school day. Include information about classes and school activates or clubs. First, write an outline of what you plan to say in the space below. Practice before you make your oral presentation. Be sure to introduce yourself and thank your audience when you are done.
