

Unit 4 Assessment: Presentational Speaking - People and Places

Learning Targets

- ✓ I can talk about various nationalities and languages.
- ✓ I can talk about eating and drinking.
- ✓ I can talk about going, coming, and returning home.
- ✓ I can use both positive and negative tenses.
- ✓ I can use past, present, and future verb forms and the て form of verbs for commands and requests.

Scenario

You are hoping to raise some money for your trip to Japan and the Japan America Society has some members who are interested in donating some money to the winner of a speech contest. This contest is different from others in that it has to be spontaneous and there is no preparation time. You have been asked to talk about the cultural diversity of people you know or would like to know and the languages they speak. You need to do your best and be as descriptive as possible.

You will want to include the following:

- Information about people from various countries and ethnicities and the languages they speak
- People you know who have gone to other countries and places and where they have gone
- What languages are taught at your school
