## **Unit 4 Assessment: Presentational Writing - Web Article**

## **Learning Targets**

- ✓ I can write about various nationalities and languages.
- ✓ I can write about eating and drinking.
- ✓ I can write about going, coming, and returning home.
- ✓ I can use both positive and negative tenses.
- ✓ I can use past, present, and future verb forms and the て form of verbs for commands and requests.

## Scenario

Your school's International Club wants to make your school website more accessible to people in other countries. They have asked you to write an article for their web page in Japanese about the various nationalities represented in your school and what languages are spoken and available.

You will want to include the following:

- Several sentences about people you know who came from other countries and where they've come from
- People you know who have gone to other countries and where they have gone
- What languages are taught at your school
