Unit 6 Assessment: Presentational Writing 1 - Fashion Review

Learning Targets

- ✓ I understand and can use the names of basic body parts
- ✓ I can use expressions to describe physical attributes.
- ✓ I can write about wearing clothes and accessories.
- ✓ I can ask, give, and deny permissions for activities.
- ✓ I use adverbs in the present positive and present negative tenses
- ✓ I can write about what people are doing by using the てform.
- ✓ I can make complex sentences with multiple actions (てform).

Scenario

You have been asked to write a fashion review for a student magazine in Japanese. Your article should include a greeting, your main discussion, and concluding remarks. Talk about what the people are wearing as well as some of their physical features. Be as detailed as possible in your description. Your discussion should be about people in the image provided or of those around you.
