

Intermediate JAPANESE

UNIT 4 Assessment: Presentational Writing

3B Illustration and Detailing – Learning Targets

- ✓ I can write about what I intend to do and what others are expected to do
- ✓ I can talk about events and things I intend to take/bring and others are expected to take/bring
- ✓ I can understand and use basic formal and informal speech
- ✓ I know how to talk a little about performing arts in Japan and can make some comparisons to others

Scenario

You have been asked to write an article for your Japanese sister school's web-letter comparing and contrasting a performing art or arts in Japan and in the West. Describe at least three aspects of each and highlight the similarities and differences. State your preference and give reasons for it. You will have 20 minutes to type or 35 minutes to handwrite your article. If writing, you will be able to use the kanji list provided. Your article should be 300-400 characters or longer.
