UNIT 4 Assessment: Presentational Speaking

The Storyteller

- ✓ I can use informal speech.
- ✓ I can state that someone can do something.
- ✓ I can use storytelling elements in a presentation.

Scenario

You have been invited to present a Japanese folk tale to a group of elementary school students who are studying Asia. Research traditional Japanese folktales (or create your own). Draw or collect 8-10 illustrations for your story. Write out the story, checking that you include traditional story-telling elements such as a setting, animals, repetition, a conclusion, and that the tone of your story is appropriate for your audience.
