UNIT 8 Assessment: Interpersonal Speaking

I just prepared for the party.

Learning Targets

- ✓ I can talk about things that have to be done.
- ✓ I can talk about things that have been finished completely.
- ✓ I can talk about things that have only~ or just~ .

Scenario:

Your Japanese teacher needed to plan a cookout for the other students in honor of the Japanese students from your sister school. Your 先生 had been really busy with other aspects of the trip and you volunteered to do the plans yourself. You have just finished planning for a party in which you had quite a few things to do and will now have a conversation about what there was to do and what you have just completed.
